

Second Alumni Reunion in Toronto

On Thursday, May 5th, HACA with the help of Ali Toufighi, arranged its second reunion at the Bier Market for University alumni living in Toronto. Agnes von dem Hagen, Josephine Braun, Jamie Halla, Jim Williams, Soheil Vaziri, and Ali Toufighi were present. Jessica Denenberg sent her apologies. HACA members had the chance to exchange fond memories of Heidelberg, for example to reminisce about the University's "Studentenwohnheim", their preparatory "Deutschkurs" at the Max Weber Haus, the Plöck, and the unforgettable traditional Spring festival, the Thingstätte Waldpurgisnacht on May 1st. A reminder briefing of the University's year-long birthday celebrations and the upcoming Alumni-Jubiläums-Tage (June 25th – 28th) was also on the agenda. It was a fun social evening and brought together several Heidelberg alumni in the Toronto area.
