Dear friends of HAUS,

We hope that you are enjoying your summer, and we also hope that you are eager to start the fall season with an exciting Heidelberg Alumni event.

We are happy to introduce you to one of the university's "crown jewels" while also giving you ample opportunity to network and to catch up in a casual setting.

Tobias Just, Managing Director at Marsilius Kolleg, an interdisciplinary "think tank" at Heidelberg University, will talk about bringing together scientists/scholars from the sciences and the humanities and initiating projects such as "New Interdisciplinary Anthropology", "Global Governance of Climate Engineering", and "Ethical and Legal Aspects of Whole Genome Sequencing".

We hope you can join us on

**Friday, September 16, 6:00pm at the
Berghoff**
17 West Adams Street, downtown Chicago (312)427-3170
<http://www.berghoff.com>

The first drink will be on the HAUS.

Feel free to bring your partners and/or friends. If you have any questions, feel free to contact John at [jdillon192\(at\)aol.com](mailto:jdillon192(at)aol.com)

Please RSVP by registering [HERE](#).

We look forward to seeing you on September 16!

Yours,
