Which place in your country, that is barely known, should everyone have visited?

Which specialty from your country should everyone have tried at least once?

Which music of your country should everyone have listened to?

Which celebrity from your country should everyone know?

Fun Facts about your country:

Would you like to add some further information on your country? What makes your country unique?

I agree that my name can be published in the context of this activity:

yes

yes, only first name

no

Please note:

Should we receive several submissions for one country we might chose pieces of information from different authors and combine them for the final publication. Furthermore, there can be text adaptations to make sure all country profiles will have a similar format. There is no claim for a complete use of your statements.

If you agreed to have your name published, we will mention you in the profile of your country.

We are looking forward to your contributions!
